

TRANSITION WESTCLIFF FILM CLUB

Presents our first season of films aimed at raising awareness about the twin challenges of climate change and peak oil, and how we can respond positively as individuals and as a community

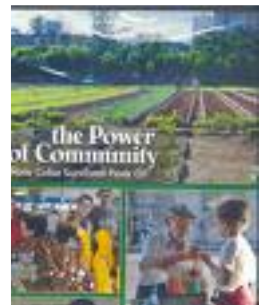

Friday 30 January 2009 - The End of Suburbia (78 min)

With brutal honesty and a touch of irony this document asks serious questions about the sustainability of suburban way of life when the cheap fossil fuels are running out, drip, drip...

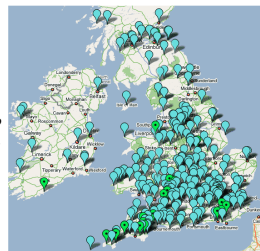

Friday 27 February 2009 - The Power of Community (53 min)

This is an inspiring look at what hope, community, intelligence & hard work accomplished after Cubans ran out of oil.

Friday 27 March 2009 - Transition Towns (50 min)

Short films about the beginnings of Transition Towns and their viral spread around the world from the UK to NZ, USA, Japan, Europe... and chat afterwards about the year since Transition Town Westcliff started.

19:30 till 21:30 at St Marks Church, Princes Street.
Films will be followed by friendly discussion and chat.
Free entry (suggested donation £2). Light refreshments available.
